**We will post the upcoming Sunday Mass schedules each week.
Please check the Signup app on the homepage for this also.**

Also, the Signup app on the homepage can be used to volunteer for chapel cleaning on Mondays after the 8:30am Mass. Thank you for cleaning Our Lord's home.

SUNDAY MASS - In order to maintain the state regulations for social distancing in assemblies, those attending Sunday Mass must observe our reserved seating in the chapel. Contact us to know which group designation is yours. The 10:00am Mass will have a sermon also.

DAILY MASS - Daily Mass does not require reserved seating in group designations as on Sundays nor does it require advanced reservations using an app as in the past. When at a daily Mass please kneel in the pews so that the orange tape is directly in front of you.

The Daily Mass schedule is the following:

Mondays, Tuesdays, Wednesdays, Fridays, and Saturdays – 8:30am only.

CONFESIONS - Confessions will be heard starting 30 minutes before each weekend Mass time for those attending that Mass. Please be patient and wait as priest may be coming from offering Mass to hear confessions.

Also, Confessions are available for those requesting an appointment.

ADDITIONAL NOTES

We are requiring that the priests and seminarians who come within six feet of others wear a face covering at all times (per the new state order that went into effect June, 2020, and will be in effect until July, 2020). We will provide face coverings to the priests and seminarians.

We have and will thoroughly clean and disinfect the facility prior to and following each Mass in accordance with CDC and state guidelines. Please assist with this if asked.

We have invited our people individually by phone call and email/text to attend Mass. We explained the process to them, and the information herein contained.

We have explained the Sunday reserved seating so we know in advance who is coming. Reserved seating is not necessary for daily Mass attendance but social distancing is always required.

We have marked the interior layout of the chapel with tape in accordance with the six-foot social distancing rule. Families can sit together, but there should be at least six feet distance between family units, and more if possible.

We have planned one-way traffic in and out of the building, with a separate entrance door and exit door on opposite sides of the building.

We have posted signs on and within the facility that explain the service protocol.

We have provided hand sanitizer throughout the facility.

We will not pass anything like parish bulletins around the chapel, including the offering basket etc.

We have removed the Holy Water fonts and have not had singing for High Masses etc.
