

From **Rorate Cæli** 2022 Liturgical Calendar Season Begins

“We know that we say this every year, but it's hard to believe it's time to start thinking about your 2022 liturgical calendar! Here at *Rorate*, we may review several calendars for the upcoming year. Once again this year, the first calendar we received to review comes to us from the Servants of the Holy Family.”

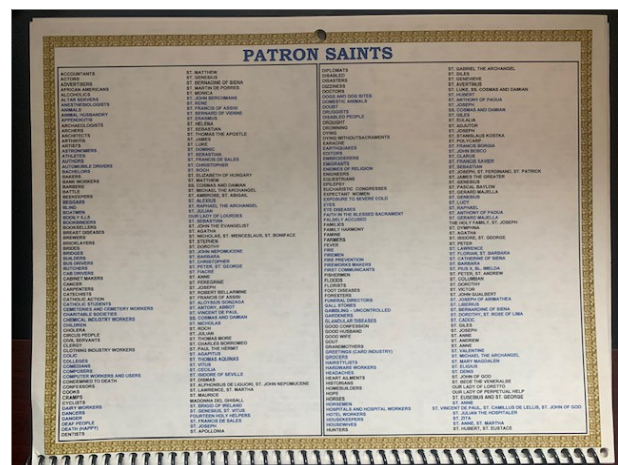

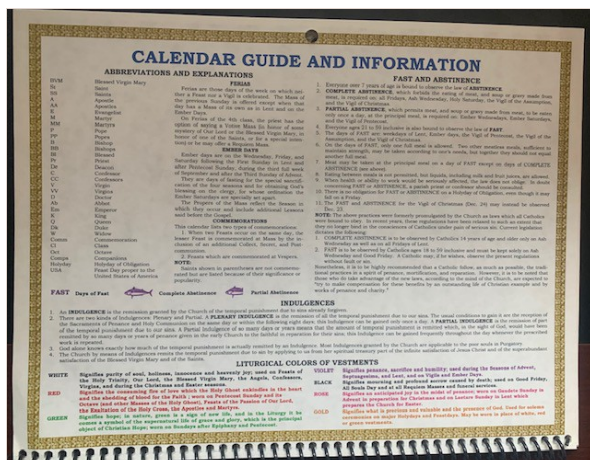

“As always, what strikes us first about this calendar is the wealth of information you get for the low cost. At only \$10.95, it's a real bargain.”

“The artwork inside the calendar for each month is lovely and traditional.”

“Speaking of that wealth of information, most calendars offer the lists of the feast days, the rules of fasting and abstinence, etc. What we like about this calendar once again this year is that it also offers a bevy of prayers, and a huge list of patron saints in the back.”

“The calendar is nice and sturdy as well, especially good for those of us with many children, whose little hands always find a way to reach up and grab the calendar.”
